 All this Day Strong Winds Went a fishing
Had Very Good Luck

Monday July 11 1842 472
 Employed in repairing sails bent the Main Top Sail
 Unbent the Main Sail Nothing further i think
 Short Work Near i think

Open flour
Beef & Pork

Tuesday July 12 1842
Employed in repairing a boat on shore
for the Governor some went a fishing

Wednesday July 13 1842
this day had some rain Employed
in doing little or nothing Nothing in sight

Thursday July 14 1842
this day commenced with some rain
Employed in drying sails some a fishing

Friday July 15 1842
Employed in repairing the Main sail
fine weather this day

Saturday July 16 1842
Employed in repairing the Main sail
some went a fishing

Sunday July 17 1842
some with fine weather Nothing
remarkable this day so does

Monday July 18 1842
this day we have plenty of rain
and ends so i think

Tuesday July 19 1842
commenced with some rain
Employed in mending the Governors coat

Wednesday July 20 1842
this day we have some rain some went
a fishing Employed in repairing the boat

and flour
245 can keep

Thursday July 21 1842
this Day employed in doing Nothing
Spiced beef And Pork and Flour

Friday July 22 1842
this Day employed in Brig sails and fishing
and repairing the boat Sough Whales of Shore

Saturday July 23. 1842
this Day We have fine Weather Went On Shore
to the theatre being the Emperors birth Day

Sunday July 24 1842
Commences With fine Weather latter plenty
of rain and to mistake i think

Monday July 25 1842
Continues With rain a plenty i think
Ends tolerable for us

Tuesday July 26 1842
Commences With tolerable fair Weather
Went to bat Stead for fish and watermelons
hump Backs in the orfing

Wednesday July 27 1842
we had fine Weather to Day
Dried the sails &c that's all

Thursday July 28 1842
Commences With fine Weather At Daylight
Sough two Whales close to the ship Lorde
Span them for the first time could not catch
them Sough a number to Day

Small Backs

Friday July 29 1842
had fine weather Employed in doing
a little or Nothing Sell Muscar about this time

Saturday July 30 1842
Continues with fine Weather Employed
in fishing & to We See

Sunday July 31 1842
As Usual Nothing important

Monday August the 1st 1842
Continues With Strong Winds at 12 o'clock
the Ship Manirve Capt Sampson
Came to Anchor 32 Months Out

Tuesday August 2^d 1842
had fine Weather Employed in little
or Nothing Open Beef and Cork

Saw a Cow and Calf Lorde Did nothing came
On board With our ass in hand Sailed
the Ship Manirve On a cruise

Beef and Cork

flour

Don't let us on shore
Beef

Hump Backs
Hump Backs

Sunday August 7 1842
 this Day spread Our Chances for Whales
 a member in sight got nothing two in hopes

Monday August 8 1842
 had fine pleasant weather sent one boat
 to look for Whales saugh some at a distance
 it was some handy to late for our benefit

Tuesday August 9 1842
 have fine Weather sent one boat out had
 one chance done nothing hurried two more i think

Wednesday August 10 1842
 this Day had a little better luck struck one calf
 and two cows anchored one the other went
 of a sporting blood to the weather side of the island

Thursday August 11 1842
 this Day had strong Winds with some rain
 Employed in chasing Whales Whales rather wild

Friday August 12 1842
 as usual sent the boats but did not belt fast
 Whales are shy and no mistake

Saturday August 13 1842
 at 11 o'clock the Whale we anchored the 10 rose
 hasted got the line and lett him see
 saugh some more could not bel one discouraging i think

Sunday August 14 1842
 this Day Employed in painting Whales sent
 the Harbours Watch on shore for liberty all on board

Stump Backs About this time

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf from an old book. The paper has a slightly textured appearance with some minor discoloration and faint smudges, characteristic of old paper. The page is framed by a dark border, possibly the book's cover or binding.
